**Re: CAML TOMLIN and the Children's Aid Foundation**

To Whom It May Concern:

It is with great pleasure that I write this letter to acknowledge the generous support the Children's Aid Foundation has received over the years for our award winning Teddy Bear Affair. CAML TOMLIN has embraced our Foundation like part of their family and continues to do so each and every year. Our partnership began in 2002 and last year CAML TOMLIN began to share their generosity even further by providing our Live Auction with two stunning packages. Since CAML TOMLIN has partnered with our Foundation, they have donated over \$84,000 worth of product that we have been able to use in our Live Auction raising funds for our most precious resources – our children. We are thrilled to have CAML- TOMLIN on board for another successful year in 2009! Their commitment has enabled the Foundation to provide programs and services that will enhance the physical, mental and emotional well-being of thousands of vulnerable children and youth.

By investing 100% of the proceeds from their donations into Education, Enrichment and Abuse Prevention programs, we are able to provide these special children and youth with a new start on life – helping them feel safe, secure, loved and free to explore their dreams and goals.

On behalf of the Children's Aid Foundation, I would like thank the CAML TOMLIN for sharing our vision of making a difference, one child at a time.

Sincerely,

Rebecca Llewellyn  
Manager, Development & Community Relations
